zotero

¿QUÉ ES UN GESTOR DE REFERENCIAS BIBLIOGRÁFICO?

- Un programa que permite a los usuarios crear, mantener, organizar y dar forma a bibliografías o referencias utilizadas durante un proceso de investigación.
- Los usan principalmente investigadores y estudiantes.
- Permiten organizar una biblioteca personalizada.

CARACTERISTICAS GENERALES DE ZOTERO

- Extensión para Firefox:
- Firefox es un navegador libre, gratuito, multiplataforma.
- Personalizable con múltiples extensiones (pequeños programas que le añaden funcionalidad).

FUNCIONALIDADES DE ZOTERO

- Guardar referencias con sólo un clic al consultar un libro, biblioteca online, etc.
- Guardar un grupo de artículos de una sola vez.
- Completar manualmente los datos de las referencias.
- Crear colecciones y subcolecciones temáticas.

PANEL DE ZOTERO

PULSAMOS EL ICONO DE ZOTERO Y..

The image shows a screenshot of a Mozilla Firefox browser window displaying the Zotero website. The browser's address bar shows the URL <http://www.zotero.org/>. The website header includes the Zotero logo, the tagline "The next-generation research tool.", and navigation links for "Register", "Find People", and "Login". There are also buttons for "add more file storage" and "Donate", and a search bar for support.

Overlaid on the bottom of the browser window is a screenshot of the Zotero desktop application. The application window shows a sidebar with a library structure under "Mi biblioteca", including folders for "Eolica", "tv", and "Trash". The main pane displays a list of items with columns for "Título" and "Creador". The item "Electromagnetismo a..." by "Plonus" is selected. The right pane shows the "Información" tab for the selected item, displaying details such as "Item Type: Libro", "Título: Electromagnetismo aplicado", and "Autor: Plonus".

ESTRUCTURA DE ZOTERO

The image shows a screenshot of the Zotero website in a Mozilla Firefox browser window. The browser's address bar shows the URL <http://www.zotero.org/>. The website header includes the Zotero logo, the tagline "The next-generation research tool.", and navigation links for "Register", "Find People", and "Login". There are also buttons for "add more file storage" and "Donate", and a search bar for support.

Below the website, the Zotero desktop application interface is visible. It features a sidebar on the left with a tree view of collections under "Mi biblioteca", including "Eolica", "tv", and "Trash". A yellow box labeled "Colecciones" highlights this sidebar. The main area displays a list of records with columns for "Titulo" and "Creador". A yellow box labeled "Registros" highlights this list. The record "Electromagnetismo a... Plonus" is selected. On the right, a detailed view of the selected record is shown, with a yellow box labeled "Datos" highlighting the "Autor" field and other metadata like "Resumen:", "Serie:", "Número de la serie:", and "Volumen:". The status bar at the bottom of the application window shows "Terminado".
